

ABOUT US

Continental Building Company is a national construction management company that works with developers and private clients to build facilities that affect lives: places where people live, work, stay and shop.

- We hire bright minds, because continuous improvement is essential to growth
- We believe in team, because we achieve more together—and have more *fun* together!
- We invest in our people, because when you learn more, we learn more
- We are safety minded. As a VPP Contractor, we continuously achieve OSHA’s highest standards
- We make a difference. CBC Charities has donated \$1,000,000+ for the care and education of youth

BE A PROJECT ENGINEER INTERN/CO-OP WITH US!

As a Project Engineer, you will work directly with a Project Manager, Project Engineer and Field Superintendent to understand the inter-workings and administration of a project. During this hands-on experience, **you will:**

- Complete submittals and shop drawing reviews
- Document and administer RFI's
- Engage in job meetings
- Work in Spectrum & Procore for project accounting and documentation, respectively
- Document sites and projects with photography
- Assist with scheduling and schedule updates in Microsoft Project or P-6
- Assist with the project buy-out and scoping subcontractors
- Assist superintendents with material inspection for quality assurance and control
- Assist superintendents with field production analysis
- Assist superintendents with subcontractor coordination
- Assist with safety inspections
- Develop or update a project punch list

ARE WE A GOOD MATCH?

We are looking for students who:

- Are of high character and integrity
- Are pursuing a Bachelor's Degree in Civil Engineering, Construction Management or related engineering degree and are in their Sophomore, Junior, or Senior year
- Are critical thinkers and good listeners
- Demonstrate professionalism and accountability
- Have strong organizational skills and can handle multiple tasks
- Demonstrate passion and a positive attitude
- Have excellent written and oral communication skills
- Have experience with Microsoft Office Suite of programs
- Have experience with Microsoft Project and/or Primavera P-6 scheduling software
- Have a solid GPA in their field of study

HOURS, DURATION & COMPENSATION

40 hours per week Monday through Friday (will work with your class schedule if necessary)

Duration negotiable (typically summer or semester)

Interns will be paid hourly

EVALUATION

Interns/Co-ops will be expected to prepare and deliver a 5-minute PowerPoint presentation summarizing their internship experience to CBC Executives. Additionally, all Interns/Co-ops will complete a two-way performance evaluation at the end of each internship rotation.
